FOOD

St. Mark's Food Pantry is open on the second and fourth Mondays of every month from 6 to 7 PM. It is necessary to present two forms of identification: a social security card is one and any other form of ID (driver's license, house bill with their name on it, etc.). From the parking lot, when looking at the church, clients should go around to the left to the side entrance by the garden. Other clients will be lining up outside the door.

CLOTHING

St. Mark's Clothes Closet is open on the first and third Thursdays of every month from 10:00 to 11:00 am. No formal ID is required but people's names and addresses are taken. From the parking lot, when looking at the church, clients should go to the right to the entrance directly on Highland. They will see people lining up.

PARKING

Our parking lot is in the back of the property (easily accessed from Franklin Road off Highland Avenue.) There is a large parking lot behind the small one behind the church that has an access from within the small parking lot as well as from the street behind. It is recommended to get there a few minutes early. This way there is no problem finding the correct entrance. Day Care at the church necessitates stricter control of the ebb and flow of traffic into the church
